

City of Peru residents can expect weekly waste and every other week recycling collection to occur Monday - Friday.

If a collection day falls on a holiday: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving, Christmas Day, collection will shift to the next day - excluding Sundays. Please refer to the calendar below to check for any changes in your collection day throughout the year.

On your collection day, your containers should be placed out for collection by 6 a.m. To keep your containers clean and reduce litter, we recommend that garbage be placed in trash bags and recyclables be rinsed out.

If a container breaks or is damaged, please contact Republic Services at 815.434.2035 and a replacement will be delivered to you.

City of Peru Waste and Recycling Service Guide

We'll handle it from here.®

A Message From Republic Services

Republic Services® has been contracted by the City of Peru to provide city-wide residential recycling and waste collection. As part of the program, all residents will receive one (1) new 95-gallon container to be used for weekly waste pickup only and (1) new 95-gallon container to be used for every other week recycling pickup.

Weekly waste collection will occur every Monday through Friday, and recycling will occur every other week Monday through Friday. On holidays, collection will shift to the next day. Yard waste collection will occur each Monday from April 1 through November 30.

We understand there will be some growing pains with the new service roll-out, but we are confident this guide will help us provide a timely service. **Please contact Republic Services at 815.434.2035 or RepublicServices.com** with any questions regarding the program.

Placement of Containers

Recycling and waste will be serviced at the curb in front of your home. Keep the containers at least three feet away from all other objects such as trees, bushes, mail boxes, fencing, landscaping and your other containers.

PLEASE DO NOT PARK VEHICLES IN FRONT OF CONTAINERS.

@2018 Republic Services, Inc.

Senior Citizen Waste Program

Smaller waste containers will be available for senior citizens at their request by contacting Republic Services directly. We ask that residents wait 60 days after the initial distribution before any changes in container sizes can be made. Please consider that large containers are meant to not only accommodate the regular weekly amount of waste, but also the very heavy times like holidays, family gatherings and birthday parties.

Additional Containers

Additional carts may be rented for \$3.25 each per month and are billed directly to the resident.

Roll-off Containers

Roll off containers ranging from 10 to 30 cubic yards are available for large cleanout or construction projects. Please contact Republic Services for pricing and availability.

Items Not Accepted

Laws require that all residents separate the following items from their landfill-bound waste for proper disposal. Please contact Republic Services for information on several convenient ways for residents to keep these materials out of landfills.

- Loose trash
- Dirt, stone, rocks
- Hazardous materials
- Liquids
- Yard waste mixed with garbage
- Large auto and truck parts
- Tires
- Televisions, computers and other electronics
- Kitchen and laundry appliances
- Paint
- Engine and machine oils

Bulk Item Pickup

One (1) bulk item will be picked up if placed curbside every week. Please contact Republic Services at **815.434.2035** or **RepublicServices.com** to schedule your bulk item to be picked up.
