

City of Peru
Public Services
Chipping Service Policy

The city of Peru has this policy in play to provide our residents with chipping services for small branches and limbs. The service is provided at a minimal cost and is offered by appointment only. The service is offered weather permitting typically from April through November.

A resident requesting chipping service must:

1. Call 815-223-2962 (public works department) to request the service.
2. A service request shall be generated by the public works office staff and given to the public works chipping crew assigned to the service.
3. The resident shall insure that the branches and limbs are to be no larger than 8 inch diameter and 2 feet long.
4. The pile of brush must be neatly piled along the street of the residence.
5. Upon completion of the job the public works department shall provide the city clerk's billing office with a service report and the city clerk shall invoice the resident accordingly.

Fee Schedule:

For every 15 minutes of on-site service the requesting party shall be charge \$20.00.

Note: The administrative Services Manager or Public Services Manager may waive fees related to chipping in event the service is storm related.
