ELECTRIC

Committee discussed seeking quotes for 4 bundles of 2ö PVC pipe. Electric Department Kye Kaszynski reported stock is getting low. Alderman Waldorf asked that a motion to be placed on the next regular meeting agenda.

Alderman Lukosus made a motion to approve quote from TCIC in the amount of \$9,966.00 for emergency repairs at the hydro. Alderman Waldorf seconded the motion. Electric Department

Foreman Kye Kaszynski reported the units are sinking and should be replaced every ten years. Deputy Clerk Stephanie Piscia called the roll with Aldermen Waldorf, Lukosus and Ballard voting aye; Alderman Sapienza and Mayor Harl absent; motion carried.

LANDFILL

PSM King reported on the new signs and continued work going on at the landfill.

AIRPORT

Alderman Lukosus reported moving the AWOS tower is more involved than expected. Alderman Lukosus stated there will need to be a meeting with the Division of Aeronautics before discussing further.

CEMETERY

City Engineer Eric Carls reported they are working through a punch list of items left on the mausoleum project.

City Engineer Eric Carls reported that the proposed parking lot at the cemetery will be considered if funds are available after the General Fund Street program is complete.

PARKS & RECREATION

PSM King reported the pads are being poured at the disc golf course at Baker Lake.

PSM King reported he is working with Aqua Control on the fountains at Baker Lake and there will be three working fountains.

CODE ENFORCEMENT

City Engineer Eric Carls reported the proposed renters registration will coincide with zoning changes that will be implemented this fall.

City Engineer Eric Carls reported on efforts to vacate a resident on Fulton Street.

ENGINEERING

City Engineer Eric Carls provided the following project update:

- IDOT funded projects (Water Street and Plank Road)
 - Working with IDOT on financial closeouts; expects projects to be closed out in 30-60 days.

PUBLIC COMMENT

Resident Mike Hart asked who is in charge of approving fiber optic in sidewalk by the Peru Public Library. City Engineer Eric Carls reported it has been an ongoing issue with the outside utility companies. City Engineer Eric Carls reported a new permitting process is underway for locates in rights-of-way.

Mr. Hart also noted that everything looks good at the splash pad and suggested putting garbage cans in the parking lot. City Engineer Eric Carls stated there are receptacles all around the splash pad and will have staff look to see if additional cans are needed.

CLOSED SESSION

None

ADJOURNMENT

Chairman Waldorf made a motion to adjourn the meeting. Alderman Lukosus seconded the motion; motion carried.

Meeting adjourned at 10:23 a.m.
