CITY OF PERU REGULAR COUNCIL MEETING SEPTEMBER 14, 2020

A regular meeting of the Peru City Council was called to order by Mayor Scott J. Harl in the Peru City Council Chambers on Monday, September 14, 2020 at 7:00 p.m.

City Clerk Dave Bartley called the roll with Aldermen Ferrari, Lukosus, Radtke, Sapienza, Payton, Ballard and Buffo present; Alderman Waldorf absent; Mayor Harl present.

All joined in the Pledge of Allegiance to the Flag of the United States of America.

PRESENTATION

Police Chief Doug Bernabei introduced Ms. Michelle DePompeis as the latest addition to the police force and said the attitude she will bring to the department is welcomed with open arms. Chief Bernabei stated San Diego's loss is certain to be our gain and in our short interaction, Officer DePompeis is certain to be a welcomed addition to our community and police agency. Chief Bernabei stated Officer DePompeis is a high-energy person that seems to have all the attributes to be a successful police officer and we can already see she will bring an empathetic and positive approach to law enforcement. Chief Bernabei stated that with law enforcement ever-evolving, he sees Officer DePompeis as part of the future generation of officers that focuses on a community-first approach and credited Peru residents for the forward-trending police agency. Chief Bernabei stated the Peru police department is ahead of the curve and has been practicing the tenants of community-based policing for many years as the evidence of our success is clear by the support we receive every single day from the Peru community.

Mr. Cary Miller, TBM committee chairman, stated that organizers would need to know by the end of October whether the council would support the spring event that takes months' worth of planning. Mr. Miller explained to the council the event has grown in the past five years and it may be one of the last opportunities to honor aging World War II veterans. Mr. Miller stated other communities, including Terre Haute, Ind., showed interest in taking over as hosts of the event. Mr. Miller stated the event was initially postponed in May, organizers tried to relocate it to Terre Haute in July, but they were unable to get it off the ground because of a loss of sponsorship funding. Mr. Miller emphasized organizers wanted to keep the event in the city, because so many volunteers have put work into making it a success.

Mr. Miller stated you can't put a monetary value on it, as it has so much more value. The council agreed the financial support wasn't an issue.

Mayor Harl said the event which centers around the World War II planes and also serves as a salute to veterans, fills hotels, restaurants and puts Peru "on the map." Mayor Harl noted the city was featured in a magazine in Japan and it gives our city recognition.

Alderman Buffo stated there's no better way to start the summer of 2021 and he would like to put the summer of 2020 behind us.

Chief Douglas Bernabei
Peru Police Department
1503 4th St.
Peru, IL 61354

Dear Chief Bernabei,

On behalf of the Alliance Against Intoxicated Motorists, it is our great pleasure to acknowledge the exceptional DUI enforcement of **Officer Brad Anderson**, by awarding a **Certificate of Appreciation** in recognition of these life-saving efforts.

Every year hundreds of people are killed and thousands severely injured as a result of alcohol and drug-related crashes in Illinois. It takes only seconds to become a victim – without warning or choice. Impaired drivers make choices. They choose their weapons – vehicles and alcohol or drugs. We at AAIM, pledge to continue our fight against impaired driving, and to persist in our campaign of this 100% preventable crime.

AAIM conducts its Annual DUI Survey of over 700 Illinois police agencies, with funding from the Illinois Department of Transportation, wherein we request your department's top DUI officers. In response, we ask that you pay tribute to this fine officer, as one of AAIM's Top Cops, with our congratulations and the presentation of the enclosed award. You have our sincere appreciation and heartfelt thanks for exceptional public service.

Respectfully,

Comments: On 08/17/2020 around 2140 hrs, Ofc. Brown and Ofc. Theisinger responded to a residence on the west side of Peru in regards to a 911 call for a 6 week old infant that was unresponsive. Ofc. Theisinger arrived within one minute of being dispatched and immediately provided life-saving medical care to the infant. Through his police training and experience, Ofc. Theisinger quickly determined the infant was not breathing and was showing physical signs of oxygen deprivation. Ofc. Theisinger was able to open the infant's airway which allowed her to breath again on her own. Ofc. Brown arrived on scene shortly after and assisted Ofc. Theisinger with medical care. Officers ensured the infant's airway was free from any obstructions, and Officer Brown placed her into a recovery position to ensure her airway remained open until the arrival of the Peru Volunteer Ambulance Service. Officer Brown concisely relayed all pertinent information to emergency medical technicians so patient transition to the ambulance and subsequent transport to the hospital could be done without unnecessary delay.

I want to commend Officer Brown and Officer Theisinger not only for their life saving measures this evening, but also for their ability to make sound, split-second decisions based upon police training and experience, all while remaining professional and calm during a stressful and chaotic event. I am

proud of both officers and consider it an honor to have them serving as Peru Police officers on my shift.

Peru Police -

Shortly after Monday's severe storm there was a officer at our front door inquiring as to the safety of our family. Our roof had a large tree on top of it with shingles flashing, eaves, & wood dangling over the edge - making it impossible to exit through the front door.

Thank you so much for his concern & generosity. We appreciate all your Department does to ensure our safety.

Mayor Scott J. Harl,
Peru City Clerk, and
Aldermen of the City of Peru

RE: Petition of Daniel Kenny
615 Plum Street, Peru, IL

Gentlemen:

Pursuant to legal notice published in the News Tribune in the manner provided by law, the Planning/Zoning Commission of the City of Peru convened for a public hearing on Wednesday, September 16, 2020, at 5:00 p.m. in the City Municipal Building, 1901 Fourth Street, Peru, IL, to consider the Petition of Daniel Kenny (hereinafter "Petitioner") concerning real estate located at 615 Plum Street, Peru, IL, legally described as follows:

THE SOUTH 52 FEET OF BOTH LOTS 3 AND 4 AND THE WHOLE OF LOTS 5 AND 6, ALL IN BLOCK 8 IN THE ORIGINAL TOWN, NOW CITY, OF PERU, IN THE CITY OF PERU, EXCEPTING AND RESERVING THE UNDERLYING COAL AND MINING RIGHTS AS THE SAME HAVE BEEN HERETOFORE SEVERED FROM THE FEE THEREOF, SITUATED IN THE COUNTY OF LASALL AND STATE OF ILLINOIS.

PIN: 17-16-332-005 (hereinafter "Property").

Petitioner desires to offer the Property as a short-term rental through AirBnB and similar websites and requests the following relief, to wit:

- 1.) A special use for Bed and Breakfast Facilities pursuant to Section 10.05(c)(2) of the City's Zoning Ordinance; and
- 2.) For such other relief as may be equitable and just.

The Property is located in an R-4 General Residence District.

Planning/Zoning Commission Members Miller, Atkinson, Lucas, Kalsto, Grabowski, Brady, and Moreno were all present at the hearing. No Members were absent. Due to COVID-19, this meeting was also streamed live on the internet.

Petitioner Daniel Kenny and his attorney Robert Steele were present and duly sworn. Attorney Steele stated that Petitioner would like to operate the Property as an AirBnB as he had done before realizing he needed a special use permit. Attorney Steele provided the P/Z Commission with copies of numerous favorable reviews by renters of the Property, which were received into the record and are attached hereto as "Exhibit A." Attorney Steele added that the Property has ample parking for eight,

Petitioner does not serve breakfast to renters, but instead provides them with menus for local restaurants. Petitioner also provides renters with his phone number if there are any issues and does not occupy the Property when rented. Attorney Steele said approval of the special use would be a benefit to the City and help bring tourism.

Petitioner Daniel Kenny introduced himself stating that he is an investor, local to the community, and previously worked as a firefighter and EMT in Spring Valley and Peru. He owns Chicago Productions in Peru which makes public awareness videos. He owns nearly 15 properties, many of which he rehabbed from a dilapidated condition. When he acquired the subject Property in foreclosure, it was dilapidated, abandoned and an eyesore. He has since improved the Property to something that is functional, brings in revenue, and draws tourism from all over the world to the City. Most renters are very affluent, educated people that come in with disposable income.

Mr. Kenny testified that the Property has significant history. The Property was built in 1847 by Churchill Koffing, a banker from Connecticut that started the first bank in Peru. Many of the ceilings and hand inlaid floors are original. The Property capitalizes on the recent marketing push and rebranding of the area as "Starved Rock Country," drawing Starved Rock visitors and tourism to Peru. The Property has 21 reviews on AirBnB, of which 18 are five stars, 2 are four stars, and 1 three stars for a combined 4.7/5 rating. On VRBO, the Property has 28 reviews, of which 27 are five stars and 1 is four stars. Mr. Kenny said the renters are not only raving about the Property, but also the City. The Property also creates jobs by utilizing cleaning, home repair and lawn maintenance services.

In response to Chairman Miller, Petitioner testified that the Property is a six-bedroom, three-bathroom home. Petitioner lives in the master suite which is locked off from the rest of the Property. There are no other occupants. Petitioner does leave the Property when it is rented.

In response to questioning from Chairman Miller, Mr. Kenny testified that he does not remember receiving the letter dated September 28, 2018, from City Engineer Eric Carls notifying him that the Property has been operating as a bed and breakfast facility without a special use permit in violation of the City Zoning Ordinance. Attorney Steele added that Mr. Kenny mistakenly believed the Property's use did not qualify as a bed and breakfast establishment since he was not offering breakfast. He has since been notified that he cannot operate without a special use permit and would like to come into compliance.

Chairman Miller inquired what Petitioner believed the Property's use was if it wasn't a bed and breakfast establishment. Petitioner responded stating he is in the business of renting homes throughout the Illinois Valley. Most of his leases are for 12 months, but some landlords lease on a month to month basis and no special use permit is required. He rents the subject Property for shorter time-periods, mostly weekends. Because he did not serve breakfast, he assumed he didn't need a special use permit.

In response to questioning from Member Lucas, Petitioner testified that he has been advertising the Property as a bed and breakfast online for the past 2+ years. There is a two night minimum stay, but no maximum. In response to further questioning from Chairman Miller, Mr. Kenny clarified that the Property is listed on a website called AirBnB, but he does not advertise it as a bed and breakfast. It is an executive rental. He added that "bed and breakfast" has become a generic term.

In response to questioning from Member Brady, Petitioner stated that the Property is set up such that you walk through the back door into the kitchen space and game room. There is also a dining

room and two bedrooms on the first floor. Upstairs there is a gym, theater, laundry, three bedrooms and a bathroom. There is also a master bedroom and bathroom upstairs that is locked off. The Property is not set up to accommodate two separate groups of renters.

In response to further questioning from Member Brady, Petitioner stated the Property accommodates sixteen guests. Two guests can sleep in each bedroom. There is a couch in each room downstairs and a futon upstairs. Additionally, two blow up mattresses are made available to guests.

In response to questioning from Member Grabowski, Petitioner testified that he has lived at the Property for nine years but hasn't really had any discussions with neighbors concerning potential issues.

City Attorney Scott Schweickert noted the City Zoning Ordinance defines "bed and breakfast establishment" as "An operator-occupied residence providing to the public overnight guest room accommodations and breakfast for a charge. Bed and breakfast establishments shall not be hotels or motels." In response to questioning from Attorney Schweickert, Petitioner testified that he had reviewed the definition over two years ago and assumed no special use permit was required because he did not serve breakfast.

Attorney Schweickert further noted the Property is located in a R-4 General Residence District and read the ten allowed uses for that district as provided for by Section 10.05 of the Zoning Ordinance. While allowed uses do not require City approval, none of the ten allowed uses pertain to motels, hotels, bed and breakfasts, or short term rentals. The most relevant of the allowed uses are for various types of "dwellings." "Dwelling" is defined in the Zoning Ordinance as "A building, or portion thereof, designed or used exclusively for residential occupancy, including one-family dwellings, two-family dwellings and multiple-family dwellings; *but not including hotels, motels, board or rooming houses, tourist homes, and trailers.*" Mr. Kenny responded that he is not an attorney and may not have read or understood that definition properly, and only the definition of bed and breakfasts stood out to him.

Attorney Schweickert further noted that there are numerous sections of the Zoning Ordinance providing that uses not expressly permitted are prohibited, including:

1.02. Compliance.

- (a) *It shall be unlawful to occupy or use any premises, building or structure in the City unless it is in full compliance with the provisions of this Ordinance, or for any purpose other than those purposes or uses described in this Ordinance as allowed or special uses in the district within which such buildings, premises or structures may be located.*
- (b) *It shall be unlawful to occupy or use any premises, building or structure in the City without compliance with all provisions of this Ordinance relative to setbacks, parking lots, or any other restrictions or requirements applicable to the district in which such building or premises or structures are located.*
- (c) *Therefore, those uses not expressly permitted are prohibited.*

3.01. General rules.

...

- (b) *Anything not expressly permitted within the conditions of this Ordinance shall be prohibited.*

4.08. Prohibited uses of land or buildings.

(a) *No building or tract of land shall be devoted to any use other than one which is specified as an allowed or special use in Articles X, XI, XII, XIII and XIV in the zoning district in which such building or land is located.*

...

(c) *Therefore, those uses not expressly permitted are prohibited.*

4.09. Control over use.

No building or premises shall be used or occupied and no building or part thereof or structure shall be erected, raised, moved, reconstructed, extended, enlarged, or altered, except in conformity with the regulations herein specified for the district in which it is located.

Each violation of the Zoning Ordinance is subject to a fine of not less than \$100.00 nor more than \$500.00 as provided in Section 16.05.

Attorney Schweickert noted the City had received written public comments in advance of the hearing. An email from Lynda Kasik, a copy of which is attached hereto as "Exhibit B", voicing concerns over parking was read into the record. Correspondence from Janice & Roger Clark, attached hereto as "Exhibit C", asserting noise complaints was also read into the record.

Attorney Schweickert then read a letter from City Engineer Eric Carls into the record, a copy of which is attached hereto as "Exhibit C". The letter reviewed the City's history with the Petitioner and Property, noting that Petitioner received a notice of violation letter dated September 28, 2018, from Engineer Carls. From 2018 to present, the City has responded to a number of complaints from residents regarding parking, noise and use of the Property as a short-term rental property. Engineer Carls notes that short term rentals are not identified as either an allowed use or special use within a R-4 zoning district, and the most similar use is a special use for a "bed and breakfast." Carls advised the Planning/Zoning Commission to recommend changes to the Zoning Ordinance to establish requirements specific to short-term rentals. If the Planning/Zoning Commission recommends that the City Council approve the special use permit, Engineer Carls recommended that such permit be conditional and subject to the new short-term rental requirements.

Chairman Miller commented that he drove by the Property several times and could not find the notice of Planning/Zoning Commission hearing sign. Chairman Miller then called for public comment.

After first being duly sworn, Shawn Schwingle testified that he owns a three-unit apartment directly west of the Property. Mr. Schwingle said that he has received many phone calls from his tenants complaining about noise coming from the Property at night on weekends and has advised them to contact the police. He noted that the online reviews indicate that Petitioner has been renting the Property since 2017. While not all renters are at the Property to party, some reviews do reference bachelorette parties. In response to questioning from Mr. Schwingle, Petitioner stated that he rented the Property mostly on weekends before the COVID-19 pandemic, but recently he has had some bookings during the week. Mr. Schwingle stated that his tenants are employed and work long hours, but that Petitioner's renters are there to relax and have fun, noting the Property features an outdoor firepit and swimming pool. Mr. Schwingle said his tenants do not have the option that Mr. Kenny has to leave when the Property is rented in order to get a good night's sleep.

After first being duly sworn, Roger Clark testified that he was surprised Petitioner did not know about the noise issues at the Property and requested Petitioner's phone number. Mr. Clark asked why

the City hasn't done anything to address these issues. Attorney Schweickert noted that Mr. Kenny was provided with a Notice of Violation letter and subsequently fined. The City has an additional six violations against Mr. Kenny pending in the LaSalle County Circuit Court.

After first being duly sworn, Connie Schwingle asked what effect the granting of the special use would have on other neighborhoods. Attorney Schweickert responded that a special use for bed and breakfast establishments is currently available for R-4 Zoning Districts under the Zoning Ordinance as currently written. If approved, it would only apply to this specific Property. Further, Engineer Carls has recommended that such permit, if approved, should be conditional and subject to additional regulations for short-term rentals to be determined and approved by ordinance. In response to further questioning from Mrs. Schwingle, Attorney Schweickert stated this Property is the only AirBnB he is aware of operating within the City.

After first being duly sworn, Richard Kyle testified he lives a block away but still experiences problems with noise at the Property. He noted the Property has six bedrooms for up to 16 guests and Petitioner is charging nearly \$700/night. He stated his concerns with collection of pillow tax and liability insurance. He also voiced concerns regarding fire safety and the ability for emergency vehicles to access the Property.

After first being duly sworn, Janice Clark also voiced concerns with the ability of fire trucks to access the Property in the event of fire.

After first being duly sworn, Melissa Nieto testified that she rents from the Schwingles and has lived across the street from the Property for the last eight years. Ms. Nieto testified that they had issues with people parking at the Property even before it was rented as an AirBnB. About a month after they moved in, a lady almost hit her friend backing out of the Property driveway. She noted public health concerns with renting the Property to large groups in the middle of a pandemic. She also voiced property maintenance concerns, noting the yield sign on Plum street is obscured by vegetation creating a traffic safety issue.

There were no other objectors at the hearing or online.

Petitioner stated that he is approachable and willing to listen to issues the neighbors are having. He added that he was unaware of these issues prior to this hearing. Mr. Kenny testified that he did not care about the special use permit and that it was not a big deal to him. What he does care about is the community. He apologized for the situation and noise. He stated that he did not need the permit and could instead sell the house or make it a long-term rental. He then stated he would like to withdraw his Petition because he did not want to create conflict with the community. He added that he did not have a solution to the noise issue. Attorney Steele then advised Mr. Kenny that he may want to wait to see what regulations the City may impose on short-term rentals before withdrawing his Petition. Mr. Kenny then asked for 30 days to wrap things up with upcoming reservations and cancel any reservations after that date.

Attorney Schweickert noted that while Petitioner has six violations pending in the court, the City has agreed to stay enforcement of additional violations while Mr. Kenny's petition proceeds through the Planning/Zoning process and until a decision is made by the City Council. In response to questioning from Attorney Schweickert, Mr. Kenny stated that the Property is rented for two or three upcoming weekends. Roger Clark and Shawn Schwingle both objected to Mr. Kenny's request for 30

days and demanded he immediately cancel the reservations. Chairman Miller stated the request was beyond the scope of the Planning/Zoning Commission.

In response to questioning from Attorney Schweickert, Petitioner said he would take the advice of his attorney and move forward with the Petition to see if he could meet regulations imposed by a future City ordinance.

Member Grabowski stated that 16 people was far too many and the Property was a “party and bed” not a “bed and breakfast.” Member Grabowski then made a motion to recommend that the City Council deny the Petition for special use. Member Brady seconded the motion. The motion passed unanimously: 7 aye, 0 nay, and 0 Members absent.

Respectfully submitted,

CARY MILLER, Chairman of the
Planning/Zoning Commission

Starved Rock Country Estate

Description

Starved Rock Country Estate is a Pre-Civil War historical estate located in Starved Rock area, known as Starved Rock Country. This beautiful 4700sf Greek Revival style 160 year old home was built in 1857. The two-story home boasts 5 guest bedrooms and 2 guest bathrooms and is nestled on nearly one acre overlooking the Illinois Valley waterfront district. The Estate is on a hill overlooking the Illinois River and only 7.5 miles to Utica IL, home of Starved Rock State Park.

[Edit](#)[Hide](#)

The space

The home is also located just blocks from downtown Peru and just over a mile to downtown LaSalle with restaurants and bars for entertainment as well as shopping, Stage 212 theater, sidewalk cafes, nightclubs, boutiques and the Canal Corridor. Inside, 10' ornate horse hair and plaster molded original ceilings will greet you. The tall doorways and original hardwood floors welcome family and friends and each hold a story to share. The modern kitchen has granite counter-tops and back-splashes, slate floors and stainless appliances and leads into a formal Dining Room and game-room. The bright kitchen is of generous proportion, with large windows and a French door leading to the spacious back patio. 6 foot windows fill walls of the home downstairs. The Theater's wood-burning fireplace and its ornamental stone hearth elegantly warm occasional cool evenings. The staircase wraps through a wide opening into the upstairs and gym area. The 5 bedrooms are spacious and bright, classically detailed with chair rails and crown moldings. Two bedrooms have full beds and couches, one has a full bed and a futon, another has a queen sleep number bed and the last has a king size therapeutic craftmatic massage bed. Four of the bedrooms have decorative fireplaces, three of the fireplaces are original to the home. The Theater Room has 8 recliners, large screen theater, BluRay/DVD player with streaming access for Netflix and all of the bedrooms have flat screen TV's and streaming access. The house also offers high speed internet Wifi. Amenities include a custom enclosed private, in ground outdoor swimming pool with a new liner that is surrounded by an elegant fenced wood and iron lighted gazebo with a nearby fire pit off the patio area that has ample space, table, chairs and a grill. The game room with pool table and ping pong; a gym with a bowflex workout station, a heavy bag and speed bag, a nordic track elliptical machine and a nordic track treadmill as well as a weight bench and free weights; movie theater with a 8' projection HD screen and full theater surround sound; central air and heat for each level; fully equipped kitchen with coffee maker, microwave, dishwasher and bakeware/cookware and utensils; bed linens/bath towels; washer/dryer; hair dryer; iron/board; private backyard and front yard.

Hello, [REDACTED]

Thank you for booking our home, we hope that you enjoy it as much as we do.

Address: 615 Plum Street, Peru, IL 61354. Entry code: [REDACTED]

We provide guide sheets on how to use everything and a book with history and fun facts, area activities and dining info.

You are welcome to use anything that is in the house. The kitchen is fully equipped to cook and the BBQ utensils are also in the kitchen drawer. There are basic condiments, coffee, filters, creamers, sugar and whatever else, all available for your use. You will just need charcoal for your grilling and whatever groceries that you plan to buy. We do also provide soap, shampoo, toilet paper, all linens. The pool is open and ready for your use. We are in the process of landscaping a bit and have been set back by the pandemic, please be sure that nobody goes around the water fountain. The pool table is ready to go under the ping pong table which can easily be taken off of the pool table in the game room. The wifi code is listed in the kitchen.

Please leave the home in the condition that you check in. We do clean the home and floors as well as all linens including comforters prior to each guest stay so you can expect everything to be fresh. Feel free to call me with any questions. My cell is 815-343-0274 for emergency maintenance.

Lastly, it is a quiet neighborhood and the neighbors will complain if it is loud outdoors, please be mindful of outdoor noise. Checkin is at or after 3pm and is autonomous and checkout is by noon. Enjoy our home!

Sincerely,

Dan Kenny

Regarding the request to grant a special use permit to allow daily rental use of the property at 615 Plum St. Peru, AKA as an Airbnb.

We ask that the Peru Zoning Commission deny this request.

We live at 1310 Bluff St. which is across the alley from the subject property. For two years we have been disturbed by loud outdoor parties. There is loud music, there are loud voices, and yelling, going on until late at night sometimes until the early morning. We have also experienced lingering smoke from bonfires left to smoulder overnight.

This is often every weekend, sometimes more frequently. This should not be going on in a residential neighborhood.

This area is zoned residential and it should stay that way.

Again, we ask that the Commission deny the the special use permit.

Attn: P&Z Board Member

Peru, IL 61354

**SUBJECT: 615 Plum Street – Daniel Kenny
P&Z Hearing September 16th, 2020**

Dear Planning & Zoning Board Member,

I have reviewed and am providing the following responses to the requests of M.B.R. Management Corporation, for property located at the southwest corner of the intersection of Mall Road and Shooting Parking Road in Peru, IL.

Petitioner Requests

- 1) A special use for Bed and Breakfast Facilities pursuant to Section 10.05(c)(2) of the City's Zoning Ordinance.
 - *Currently R-4 is the most restrictive residential zoning district in the City of Peru's Zoning Ordinance. Short term rentals are not identified as either an "allowed use" or "special use" within the R-4 zoning district. Therefore, in my opinion the most similar use would be "bed and breakfast", which is provided for under a "special use" in an R-4 zoning district.*
 - *The Zoning Code provides a definition of "bed and breakfast" to be "an operator-occupied residence providing to the public overnight guest room accommodations and breakfast for a charge. Bed and breakfast establishments shall not be hotels or motels." The definition is out dated and I would advise the commission to recommend a change to the definitions to more well define short term rentals.*
 - *Furthermore, I would recommend an ordinance be established governing the specific definitions and requirements of short term rentals.*
 - *If a special use is recommended and granted for the subject property, I would also recommend the special use be granted conditional and be subject to the requirements of a future City of Peru adopted ordinance, or revisions to the Zoning Code, as it relates to short term rentals.*
- 2) For such other relief as may be equitable and just.
 - *I recommend no other relief be granted.*

Other Comments

Section 15.12 Special Uses, of the Zoning Code, provides for the following:

- (a) Purpose: "...In addition to such allowed, compatible uses, however, it is recognized that there are other uses which it may be necessary or desirable to allow in a given district but which on account of their potential influence upon neighboring uses or public facilities need to be carefully regulated with respect to location or operation for the protection of the community."*
- (a)(2) Uses entirely private in character which, on account of their peculiar location need, the nature of the service they offer to the public, and their possible damaging influence on the neighborhood, may have to be established in a district of districts in which they cannot reasonably be allowed as an unrestricted use under the regulations of this Ordinance.*

When considering the recommendation for Special Use, I have also reviewed the specific Zoning Code sections noted above and the history of the property.

On September 28th, 2018, I had written a Zoning Violation letter to Mr. Kenny notifying him the use of the property is in violation of the Zoning Code and would require a special use in order to continue. At that time Mr. Kenny signed for the certified mail and was aware of the Zoning violation. A copy of the violation letter has been enclosed for you review.

From 2018 to present the City of Peru Police Department has been responding to a number of complaints related to the short term rental property being operated by Mr. Kenny. Due to the size of these reports I have ask the Police Department to make available hard copies for review and for submission at the hearing.

The Engineering and Zoning Department has also received a number of calls from residents of the neighborhood regarding complaints related the use of the property, concerns with current and future parking, as well as noise complaints, all of which have been related to the short term rental operated by Mr. Kenny.

If there are any questions or concerns please do not hesitate to contact me.

**SUBJECT: 615 Plum Street, Peru, IL 61362
Zoning Violation**

Dear Mr. Kenny,

The City of Peru has discovered that the residence located at 615 Plum Street, Peru, IL, has been operating as a bed and breakfast facility. The subject property is in the City's R-4 Zoning District. The R-4 district does allow for bed and breakfast facilities by special use only.

As of the date of this letter a special use has not been granted for a bed and breakfast facility at this address. Operating the residence as a bed and breakfast, without proper zoning approval, is a violation of the City of Peru Zoning Ordinance No. 3817.

If you wish to seek a special use for a bed and breakfast, please contact the Engineering and Zoning Office at (815) 224-6020. The proper documentation must be submitted, and approvals granted prior to the continuance of the use. Failure to do so will result in citations from the City of Peru related to the zoning violations.

Should you have any questions or need additional information, please do not hesitate to call, (815) 224-6020.

RE: Petition of M.B.R. Management Corporation
Property generally located at Illinois Route 251 and Shooting Park Road

Gentlemen:

Pursuant to legal notice published in the News Tribune in the manner provided by law, the Planning/Zoning Commission of the City of Peru convened for a public hearing on Wednesday, September 16, 2020, at 5:15 p.m. in the City Municipal Building, 1901 Fourth Street, Peru, IL, to consider the Petition of M.B.R. Management Corporation, a Missouri Corporation (hereinafter "Petitioner"), concerning real estate generally located at Illinois Route 251 and Shooting Park Road in the City of Peru, Illinois, legally described as follows:

Lot B in Subdivision of Lot 2 in CVS Pharmacy Addition, a Planned Development, being a Subdivision of part of the East $\frac{1}{2}$ of the Northwest $\frac{1}{4}$ of Section 16, Township 33 North, Range 1 East of the Third Principal Meridian, according to the Plat thereof recorded January 16, 2020 as Document No. 2020-00812, in LaSalle County, Illinois.

PIN: 17-16-130-002 hereinafter "Property").

Petitioner requests the following relief, to wit:

- 1.) A variance to reduce the interior property line setback for off-street parking from not less than two (2) feet, as provided by Section 7.02(d)b.i. of the City's Zoning Ordinance, to not less than zero (0) feet;
- 2.) A variance from Section 7.04(e) of the City's Zoning Ordinance to eliminate the requirements that 10% of off-street parking areas be landscaped and the mandatory planting of ornamental shrubbery or trees as part of site landscaping;
- 3.) A waiver from the storm water detention requirements in Section 11.09 of the City's Subdivision and Site Development Regulations Ordinance; and
- 4.) For such other relief as may be equitable and just.

The Property is located in an B-2 Community Shopping District.

Planning/Zoning Commission Members Miller, Atkinson, Lucas, Kalsto, Grabowski, Brady, and Moreno were all present at the hearing. No Members were absent. Due to COVID-19, this meeting was also streamed live on the internet.

Wes Kistler appeared on behalf of Petitioner and was duly sworn. Mr. Kistler testified that Petitioner desires to develop the Property into a new 1,800 sq. ft. Domino's Pizza Restaurant. The Property is currently an asphalt lot directly east of CVS. Petitioner plans to remove the asphalt and construct the new building, parking and drive aisles.

With respect to the first request reducing the interior property line setbacks for off street parking to zero feet, Mr. Kistler explained that the Property is a very small lot. The setback variances are needed to meet parking requirements. Regarding the second request, Mr. Kistler noted there is some landscaping on the north end along Shooting Park Road, but a variance is needed due to the limited landscapable space on the Property. Finally, Mr. Kistler explained the third request for a waiver from storm water detention requirements is needed due to the lot size, noting that the Property is already covered in asphalt and the proposed development would not affect the stormwater release rate.

City Attorney Scott Schweickert then read a letter from City Engineer Eric Carls into the record, a copy of which is attached hereto as "Exhibit A". Engineer Carls recommends granting the relief requested by the Petition on the condition the developer make every effort to incorporate landscaping in the areas that provide space, such as the islands and areas around the building, and subject to approval of a landscape plan by the City's Engineering & Zoning Department.

There were no objectors at the hearing or online.

The Planning/Zoning Commission found the requested relief will not alter the essential character of the locality; will not be detrimental or injurious to other properties in the area; will not impair an adequate supply of light or air to adjacent properties, or increase the danger of fire, or endanger the public safety, or diminish or impair property values and will not increase street congestion and, therefore, recommends to the City Council that the relief as prayed for in the Petition be granted.

Member Kalsto moved, and Member Atkinson seconded, that the Petition be favorably recommended to the City Council. The motion passed unanimously: 7 aye, 0 nay, and 0 Members absent.

Respectfully submitted,

CARY MILLER, Chairman of the
Planning/Zoning Commission

P&Z Hearing September 16th, 2020

Dear Planning & Zoning Board Member,

I have reviewed and am providing the following responses to the requests of M.B.R. Management Corporation, for property located at the southwest corner of the intersection of Mall Road and Shooting Parking Road in Peru, IL.

Petitioner Requests

- 1) A variance to reduce the interior property line setback for off-street parking from not less than two (2) feet, as provided for by Section 7.02(d)(b)(i) of the City's Zoning Ordinance, to not less than zero (0) feet.
 - *I am recommending the request be granted.*
- 2) A variance from Section 7.04(e) of the City's Zoning Ordinance to eliminate the requirements that 10% of off-street parking areas be landscaped and the mandatory planting of ornamental shrubbery or trees as part of site landscaping.
 - *I am recommending the request be granted, on the condition the developer makes every effort to incorporate landscaping in the areas that provide space, such as the islands and areas around the building. A landscape plan should be submitted to the Engineering & Zoning office for approval.*
- 3) A waiver from the storm water detention requirements in Section 11.09 of the City's Subdivision and Site Development Regulations Ordinance.
 - *The site as it exists in the pre-development state is nearly 100% impervious; I am therefore recommending the request be granted.*
- 4) For such other relief as may be equitable and just.
 - *I recommend no other relief be granted.*

I have reviewed the proposed site plans for the development and will provide final approval if the waiver is granted. If there are any questions or concerns please do not hesitate to call.

Sincerely,
