PUBLIC COMMENT

PRESENTATION

Members of the Illinois Valley Pickleball Club's were in attendance to discuss repainting the tennis courts to increasing pickleball courts from four to ten, allowing the courts to be utilized as both tennis and pickleball courts. Illinois Valley Pickleball member and Peru resident Tom Shinnick stated Peru was the leader of the Illinois Valley and has the best pickleball courts in the area. Mr. Shinnick stated that Peru has led on the pickleball courts but has been both a blessing and a curse. Mr. Shinnick explained that it's a blessing because we are bringing people of all walks of life together to play recreationally outside and it's a curse because we have all these people and not enough courts. Mr. Shinnick noted there are four courts at Washington Park. Shinnick said those courts are in constant use during the day. Mr. Shinnick noted there are not enough courts on certain occasions for the huge increases in the number of pickleball players and the popularity of the sport, leading to long waits between games, causing anger and frustration among the players. Mr. Shinnick stated the Illinois Valley Pickleball Club has 203 active members, which does not include grade school, high school or college age players. Mr. Shinnick reported the club has had an increased membership of 300% since 2021, with players coming from coming from La Salle, Oglesby, Spring Valley, Utica, Rochelle, Tiskilwa, Princeton, Mendota, Toluca, Streator, Dixon, Sublette and Marseilles, as well as travelers stopping on occasion for one time play. Mr. Shinning stated that as the retail center of the region, the visitors that come to play pickleball also shop in the area increasing Peru's tax revenue. Mayor Kolowski said he was proud of the courts and having so many people wanting to utilize the playing space is a good problem to have and discussions will be had with Adam Thorson, Director of Parks, Recreation and Special Events, and at committee level and see what we can do. Member and resident Keith Pearce stated that while there are courts all over the region it's a social sport so they enjoy coming together in one location, noting e play a very social format where we switch our partners and there's a nice routine going out there that you could create at Washington Park. Mr. Pearce said the players really want to build onto the camaraderie moving forward. He mentioned there are different groups, even ones not associated with the club, that are often waiting to play at the park. Mr. Pearce stated you'll get families in small groups, the young people coming out and is really getting some critical mass out there. Mr. Pearce also reported that it was brought up that some people may have stopped coming out to play in the evening because of the difficulty finding playing time. Mr. Pearce stated it is the belief of the club the solution for painting lines on the courts will provide the best low-cost solution for the community and said painting lines doesn't cost more than building courts elsewhere, and of the courts on the ice rink, one of them is functional because of the sides. Mr. Pearce added that as a social community it would be amicable to put up some etiquette rules by the pickleball courts for new people.

Sue McKnight, a former tennis instructor and pickleball player, said she didn't believe painting lines on the tennis court would interfere with the tennis courts. Ms. McKnight stated she has played on several tennis courts that have other pickleball lines or basketball lines like your indoor ones like at the YMCA, and you get used to it.

CITY OF PERU REGULAR COUNCIL MEETING JULY 1, 2024

Alderman Edgcomb reported the city has schools that play competitive tennis on the courts at Washington Park and was told by some of those coaches that they will not be able to play on those courts for competitive school sports. Alderman Edgcomb asked McKnight if that was correct and she stated that according to her research, she believed it was incorrect.

Mr. Shinnick said if the club could get the three tennis courts lined, the park would go from four to 10 pickleball courts exclaiming they would be able to have tournaments and bring people in from outside the area. Mr. Shinnick again reiterated it is an opportunity for Peru to be pickleball capital of the valley, but also there's economic opportunity there.

Alderman Sapienza stated he was concerned about the tennis players being dominated by the pickleball players if the council acted on the proposal. Mr. Shinnick said the pickleball players hardly see any tennis players there.

Ms. McKnight stated tennis would take priority, because tennis was there first and if there are three courts needed to be filled with tennis, the pickleball players would move on.

Pearse said the club could potentially add something to the rules of etiquette if it wished.

Director of Parks, Recreation and Special Events Adam Thorson stated the city will be reaching out to St. Bede Academy as well as the tennis community for their input on the potential project and hopes to present his findings in about a week.

Woodford

Dear Doug,

THANK YOU so much for supporting the W. D. Boyce Council, Boy Scouts of America with your gift of \$100. Your generous support ensures a successful Scouting program in central Illinois that carries out the mission to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

The W. D. Boyce Council is dedicated to delivering a program that emphasizes the goal of forging future leaders, focusing on necessary leadership skills, values, education, and service to others. With a more than 114-year history, you can trust that the BSA understands the important role and awesome responsibility we play in the lives of our Scouting families.

Your support is an investment for a better future – a better future for the youth, and their families, who participate in the program AND a better future for our community!

Again, thank you for your investment!

In Scouting,

Ben Blumenberg
Scout Executive/CEO

Priscilla Slaughter
Director of Development
Thank you!
